G.O.Ms.No.5

Date:14.02.2022

Read:

From the Director Insurance Medical Services Department, A.P., Vijayawada,Rc.No.1560717/CDS2/DIMS/2021,dt.02.12.2021&03.02.2022.

ORDER :

The Director of Insurance Medical Services, Andhra Pradesh, Vijayawada in the letter read above has stated that the Govt., had issued Comprehensive Guidelines for purchase procedure of equipment & drugs/dressing material in IMS Department through G.O.Ms.No.51,LET&F(IMS)Dept., Dt 09.04.2012 and G.O.Ms.No.14,LFB&IMS (IMS&VIG) Dept., Dt.16.11.2021. Further, during the recent past vigilance enquiry in purchases, fraudulent payments came to light & leading to filing of criminal cases causing the losses to the public exchequer.

2. The Director of Insurance Medical Services, Andhra Pradesh, Vijayawada has further stated that the Insurance Medical Dept., does not have any Comprehensive online Indent and Purchase management System. The present manual process lacks complete transparency and accountability giving opportunity for any kind of misuse. This lacuna was also reported by Vigilance and ACB, as some of the store records were not updated and some are not properly maintained. So in order to address the problems in the current existing system, and to bring about total transparency and accountability a Comprehensive online Indent and Purchase management system is an ideal solution with following advantages:

- To implement a transparent and accountable system for procurement, storage, distribution and payment of drugs, equipments etc.
- To enable to create a single dynamic platform to have a complete overview of Indent, Purchase, Distribution and Payment process to ensure timely supply of drugs and weed out malpractices in the above mentioned processes.
- To ensure adequate savings in the drug budget by scientific forecasting system based on the preparation of essential drug list and its actual consumption.
- Streamline the Indent warehouse management, quality management, equipment inventory management, equipment complain chain management, equipment auction life cycle, human resource and finance management in an optimized and efficient manner.
- More accurate view of the state of drugs warehouse and inventories across different health facilities across the State

3. The Director of Insurance Medical Services, Andhra Pradesh, Vijayawada has also stated that by adopting various e-governance practices as a part of Digital India initiatives. This e-Aushadhi platform shall be a comprehensive Indent Management and Purchase platform for Director General, ESI, RC list, State RC list, Non RC, Surgical items, Equipment, Local Purchases etc., thus e-Aushadhi platform shall be a gateway to host all the purchases and indents pertaining to Insurance Medical Services Department. Therefore, the DIMS has requested the Government, to examine the rolling out of e-Aushadhi as a Comprehensive Indent Management and Purchase platform in Andhra Pradesh Insurance Medical Services Department and to issue necessary permission to implement this e-Aushadi project in AP Insurance Medical Services Department.
